

ABSTRACT SUBMISSION IS NOW OPEN FOR THE 9TH INTERNATIONAL LYMPHOEDEMA FRAMEWORK CONFERENCE

ABSTRACT SUBMISSION IS OPEN

It is our pleasure to announce that the Call for Abstracts is now open for ILF 2019!

ILF encourages everybody involved in research related to lymphoedema to share your studies and scientific results by submitting an abstract for the ILF 2019 conference.

The conference will gather practitioners, researchers, affiliates and stakeholders from all over the world. It is thus a great opportunity to present your knowledge to a multi-stakeholder audience.

Topics will include:

- Innovative and promising approaches including technologies
- Outcome measures
- Complex chronic oedema case studies including chronic wounds
- Health economics
- Pediatric and primary lymphoedema
- National frameworks and other community organization initiatives
- Service development/enhancement initiatives
- Educational initiatives
- Patient/carer engagement or self-management initiatives
- Conservative treatment including compression
- Surgical options
- Psychosocial and qualitative research
- Risk reduction practices
- Imaging & diagnostics
- Obesity and lymphedema/lipedema
- Basic Science and Biology
- Other
